YOUR DEFEATED SELF JUST CALLED – IT WANTS TO BECOME INSPIRED

This book is meant to help others navigate life with humor and a persistence to succeed – despite the circumstances. Deal with the hand you are dealt, and make the best of it. Remember, this is YOUR life. The actions of others do not define you.

**Live your life forward, understand it backwards.
Never let the past control your future.**

As I have always said, “If it is meant to be, it is up to me.”
